

TREMENHEERE SCULPTURE GARDENS
A WEDDING VENUE

Tremenheere Sculpture Gardens is nestled within a sheltered valley. In a peaceful, off the track location that is only two miles away from central Penzance & less than ten miles from St Ives. It boasts stunning landscapes and breath-taking views of St Michaels Mount and Mounts Bay.

Tremenheere Sculpture Gardens is owned by two local doctors with a love for art & exotic planting. Within the 22-acre valley you will find sheltered dramatic vistas, streams and woodlands & an ever-evolving programme of contemporary artwork & installations.
